**Re: North Penn Area 5 Superfund Site
Sensor and Antenna Systems, Lansdale, Inc.
Request for Consent to Enter Property**

Dear Mr. Bolstein:

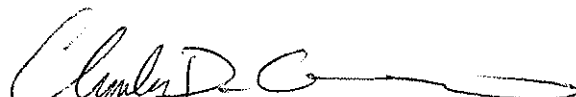

We are in receipt of your correspondence dated September 13, 2012 requesting consent to enter the property of Sensor Antenna Systems, Lansdale, Inc. ("Sensor") for the purposes of conducting an investigation for the North Penn Area 5 Superfund Site Operable Unit No. 2. Sensor is, of course, amenable to providing the requested access upon mutually agreeable terms, although I need to discuss the terms of such access with my client, as well as counsel for BAE Systems Information and Electronic Systems Integration ("BAE") pursuant to a private indemnification agreement between Sensor and BAE. We expect to be in touch with you shortly to discuss such terms of access.

If you have any questions or concerns, please let me know.

Very truly yours,

JAECKLE FLEISCHMANN & MUGEL, LLP
